

390 ELECTORAL VOTES CERTAIN FOR HARDING; TENNESSEE REPUBLICAN

Shift of That State and Oklahoma Leaves Only 14 Electoral Votes in Doubt—G. O. P. Congressional Sweep Increases with Receipt of Late Returns

SENATE MAJORITY TEN AT THE LEAST

With Republicans Leading in Four of Five States Where Choices Have Not Been Determined—House Margin Now 119 With 42 Districts Unreported—Immense Popular Vote for Harding

NEW YORK, Nov. 4.—Tennessee has swung into the swelling Republican column, shattering Democratic traditions of a solid South, unofficial but nearly complete returns showed today. Her shift from the Democratic ranks coupled with a similar upset in Oklahoma assured Warren G. Harding of 390 electoral votes as against 127 definitely in the Cox column, and left 14 in doubt.

Tennessee on the face of returns tabulated by the Memphis Commercial Appeal from 93 of the 95 counties, with 50 precincts missing, gave a plurality for Harding of 9,980. Gov. Roberts, Democrat, was swept out on the Republican tide. No further actual upsets were reported from the solid South although several towns in Florida and Louisiana and several counties in Georgia and Alabama broke precedent by piling up Harding pluralities.

The Republican congressional sweep assumed larger proportions as belated returns continued to come in. The victory of Samuel Nicholson, Republican, candidate for senate from Colorado assured President-elect, Harding, a majority of at least 10 in the upper house, and of five states where senatorial choices had not been determined the Republican candidates were in the lead in four.

The Republicans had secured 257 seats in the house of representatives to 132 for the Democrats and four for other parties, giving them a lead of 119 with 42 districts unreported.

Several notable upsets occurred in the congressional race, among them the retirement by Missouri voters of former Speaker Champ Clark in the house and

TWO WHITES, SIX NEGROES KILLED

Twenty-Five Houses Are Burned in Race Clash at Orlando, Fla.

FIGHT STARTS OVER REFUSAL OF VOTE

Election Officials Said Negro Had Not Paid Tax and He Brings Gun—Houses Fired to Drive Out Negroes—Ex-Servicemen on Guard.

ORLANDO, Fla., Nov. 4.—Former service men patrolled the street of Orlando and near by towns throughout the night to prevent the renewal of the race clash which is known to have resulted in the death Tuesday night of two white men and six Negroes. Quiet prevailed early today and the authorities said they did not expect any further outbreak.

Deputy sheriffs who were called by the riot which was the outgrowth of the election said they believed the death toll would exceed eight. They said they were convinced the bodies of several Negroes would be found in the ruins of 25 houses destroyed by fire.

The battle between white citizens and Negroes, followed an attempt on the part of a Negro to vote. He was denied the privilege by election officials on the ground that he had not paid his poll tax. Later it is reported white citizens believed a crowd of Negroes intended to attack them and shooting resulted.

Two white men were shot and killed and several others, including a former police chief, were wounded in the fight which preceded the wholesale lynching. The Negroes burned met death in houses in which they had congregated and which was fired by a mob.

According to accounts received here Perry left the polls after being refused a vote and returned later with a shotgun. He was alleged to have made threats against the election officials and finally was knocked down when he reached for the gun.

He escaped into the Negro section where it was reported the Negroes were gathered in crowds. Later when an attempt was made to arrest him, fire was opened from the house in which he had taken refuge. Leo Rogers and Elmer McDaniels, white men, were killed. An attempt was made to run the Negroes from the house, which finally was fired. Perry was arrested and he was the man who was lynched by the mob.

More than 20 buildings in the Negro settlement were burned. Reports from Ocoee said that explosions of considerable amounts of ammunition occurred as the flames swept the buildings, and that numerous firearms were found in the ruins. One Negro woman was among those burned.

AMATEURS SCORE SUCCESS IN SHOW

Big Audience Greeted Big Cast and Shows Its Approval

ANNUAL FOLLIES BY WHEEL CLUB

Song Hits and Other Features by New and Old Performers Move Spectators to Demonstration—Large Houses Assured Tonight and Tomorrow.

Chalk up another big success to the credit of amateur theatricals in Brattleboro. The first night of the annual fall follies of the Vermont Wheel Club Follies, founded the Auditorium crowded last night, and the big audience was abundantly satisfied with the performance. Its pleasure was manifested in hearty laughter and generous applause, given in well merited recognition of excellent work by about 100 persons under the direction of John J. Nolan of Boston, who has staged a number of attractions here and whose large audiences are assured tonight and for the closing performance tomorrow night.

Again this year President E. J. Fenton of the Wheel club had the general oversight and responsibility, and he and Mr. Nolan, with the hearty co-operation of others, brought the plans to fruition in a notably efficient manner. New stars were discovered which rivaled the brilliancy of the old ones, and while there was a generous response to encores the program was so arranged that it was not undue length, being carried forward with a new and dash that reached the final curtain at 10:45 o'clock.

The Follies took the form of a minstrel show, with many clever features, and besides the principals there was a competent and well-balanced chorus. It included the following young women: Misses Lela Barber, Eleanor Baker, Mary Baker, Olive Buckley, Lena Burr, Mary Butterfield, Minnie Cooper, Anna Creed, Christine Croft, Mary Curry, Anna Curtin, Katherine Denning, Rita Eckles, Evelyn Fisher, Mildred Greenwood, Mervett Hamilton, Elsie Hammarlow, Dorothy Harwood, Louella Hale.

EX-GOVERNOR GRAHAM GETS NOT LESS THAN FIVE YEARS IN PRISON

HARDEST GAME AT HOME THIS SEASON

Brattleboro High School Football Team Realizes It Has Some Task to Defeat Chicopee Next Saturday.

Brattleboro's biggest event of the present season will take place at Island Park Saturday afternoon when Brattleboro meets Chicopee in a game that will have a strong bearing on the Connecticut valley 1920 football championship.

It is the general belief of the friends and admirers of the Brattleboro team that the local boys will have to play harder and faster than they have in any previous game this season in order to repeat last season's defeat of Chicopee. Chicopee comes here with a wonderful season's record, having been defeated only by the strong Haverhill, Mass., team, last year's inter-sectional champions and this year considered the probable winner of the same high national honor.

The Adams high team, which is considered the best school team in Western Massachusetts, was given a practical demonstration of Chicopee's scoring power by a 40 to 0 beating by that team two weeks ago.

Coach Stoltz has not been backward in calling the attention of his players during the week to their error of omission and commission in the Holyoke game and he is confident that more speed, power and fight will be shown by his team on Saturday than has been the case before this season.

Roger Sherman of B. H. S. 1917-18 team and Justin Moran, captain of the B. H. S. 1919 team, who were home from Colgate for a few days and who witnessed the Holyoke game on Saturday, attended on Coach Stoltz's invitation, Monday's "chalk talk" and later lined up against the team and helped the coach demonstrate some of their weaknesses and suggest means of correcting them.

The local boys realize the necessity of winning the Chicopee game if they are to continue as contenders for the Connecticut Valley championship and their friends can be sure that the boys will go the limit in their endeavor to hang Chicopee high's scalp with the many others already on their belt.

Broke Glass in Basement Door at Don E. Belleville's Store but Apparently Were Frightened Away.

An attempted burglary at Don E. Belleville's cleaning store on Main street was discovered this morning when Mr. Belleville went into the basement of the store to fix the fire. Two windows were pried open and a pane of glass was broken in the door so one could reach through and turn the bolt. It is believed that the burglars became frightened before reaching the floor above, as the door leading downstairs was locked as it was left last night and nothing has been missing from the store today.

MEN'S CLASS GIVES BANQUET TO WOMEN

Rev. Dr. Davenport Brings High Inspirational Message at Sunday School Gathering in Methodist Vestry.

That woman is coming into her own has been amply demonstrated of late in a variety of ways. Last evening, in the vestry of the First Methodist church, the ladies of the Sunday school and congregation were entertained at a banquet given by the newly organized all-men's class. The best of good times was had by the 70 congenial spirits that gathered about the board. The menu consisted of chicken a la king, mashed potatoes, rolls, cake and coffee.

The ladies were heartily welcomed by the class president, Walter Newcomb, and in response Miss Elizabeth Bagge voiced the sentiment of the guests. Brief addresses were made by the pastor and officials of the Sunday school. Rev. Dr. W. R. Davenport, superintendent of St. Albans district, brought a stirring message of high inspirational value. He referred to the praiseworthy record of the men and women of Methodism's past, of the genuineness and depth of their spiritual experiences, of their loyalty to the faith, their willing sacrifice of much that they might be known as Christians. He prophesied for the present generation of Methodists an equal measure of success in church work, provided that they have the same appreciation and expression of religion as characterized those who had gone before.

Sentence Pronounced by Supreme Court at Montpelier Today — Counsel Admits Exceptions Filed Have No Weight — Prisoner Silent Before the Court

COUNSEL ASKS MERCY FOR SERVICE

Former Governor Asks No Favor from Sympathy or Sentiment — Court Debates Sentence for an Hour — Attorney General Archibald Argues for State

(Special to The Reformer.)

MONTPELIER, Nov. 4.—Former Governor Horace F. Graham was at 11:15 sentenced by the supreme court to serve not less than five years and not more than eight years in the state prison at Windsor for embezzlement of state funds exceeding \$20,000 while auditor of accounts for which he was convicted last January in Washington county court. He was also ordered to pay the costs of prosecution.

The sentence came as climax to the admission of his counsel that in the exceptions filed they had only one of any account and that doubtful.

Mr. Graham appeared in court in person, with his counsel, Hale K. Darling. Attorney General Archibald represented the state.

The court was out about an hour. Mr. Graham had nothing to say when called on, before sentence was pronounced by Justice Powers. Mr. Graham was pale and nervous.

In an argument before the sentence Mr. Darling said, the respondent asked no mitigation of sentence on the grounds of sympathy or sentiment but believed the penalty should be mitigated to a fine on the grounds of his long and faithful service in the state.

Edward H. Beavitt urged a light sentence on Mr. Graham's record of service.

Mr. Archibald said all the things stated by counsel in behalf of the respondent had been urged before the jury at time of trial. He did not recommend either a jail sentence or fine specifically but asked the court for such a sentence as would fit the crime committed. Good conduct and patriotism during the war should not mitigate an offense committed twelve years before he added.

Friends of the former governor said it was probable an effort would be made to obtain a pardon from Governor Clement.
